CUARTO INFORME DE AVANCE TRIMESTRAL

# NO APLICA

A graph on a Cartesian coordinate system showing a function. The curve starts at the origin (0,0), increases to a local maximum, then decreases to a local minimum, and finally increases again towards the right. The curve is concave down, and the graph includes a vertical y-axis and a horizontal x-axis.

10

Three hand-drawn blue lines on a white background, each consisting of two intersecting lines forming an 'X' shape. The lines are roughly parallel and intersect at different points.
